HOPE, HEALTH, HOMES FOR CATS AND DOGS IN NEED

From the Director

Did you know that the S.P.A.'s veterinary clinic is open to the public? Well, it is! And we have a terrific veterinarian – Dr. Omar Córdova. He is very experienced and a compassionate caregiver.

Are your pet's vaccinations up-to date? Come to the S.P.A.'s clinic for their annual or six-month regular exams and to check the status of their vaccinations.

The S.P.A. has a well-equipped clinic and can provide routine care for your pet (general check-up and vaccinations) and meet all your pet's needs, including diagnosing and treating medical issues, taking x-rays, doing lab work, performing sterilizations and other surgeries, and providing emergency care.

The S.P.A. can microchip your cat or dog for \$1,000 pesos each, the most economical price in town. If you are taking your dog to the United States, a microchip is now necessary, according to CDC rules.

We offer packages to help save you money on veterinary care for your cats and dogs. Read about them here: <https://www.spasanmiguel.org/clinic-services>

To avoid having a long wait, it is best to call for an appointment (415-152-6124). The clinic is open from 9-3, Monday-Saturday and stays open until 4 on Tuesdays and Saturdays which are our discount days! The prices for a consultation with our veterinarian and most vaccinations are reduced on those days.

October 2024 Pets of the Month

By Gail Isaacs and Megan Gabel

Our Pets of the Month this month are Oreo and Belinda (cats) and Mandy and Nick (dogs).

Oreo arrived at the S.P.A. in early August 2020 at the age of 3 months. He is a quiet, peaceful, loving young man who gets along well with people and other cats and kittens. He is independent, but loves to climb into your lap as long as it's on his own terms. He notices when a volunteer walks into a room and often starts "talking" to say hello.

Sweet Belinda arrived at the S.P.A. in June 2024. She is a gentle, shy two-year-old beauty who is very loving. She has the most amazing kind eyes that ask you to love her back.

Almost three years old, Mandy is a medium-sized sweetheart. She is friendly with people and other dogs, but seems to shy away from meeting new visitors who are interested in adopting her. Next time someone wants to meet her for a possible adoption, we will start off going for a walk together. We think Mandy will relax then and enjoy getting to know someone new. She is a gentle, lovely girl.

Nick, a little over two years old, is a handsome, medium-sized dog with piercing blue eyes. He is friendly with other dogs and has a gentle personality with people. Both Mandy and Nick look forward to going for a walk and do well on leash.

Adopt any of these Pets of the Month during October and receive a free adoption kit. Meet them and all our available cats and dogs at the S.P.A., Los Pinos #7, Monday-Saturday between 11 and 2, 415-152-6124. Our adoption fee is 600 pesos. For dogs, it includes sterilization, all current vaccinations, deworming, and the leptospirosis booster. For cats, the fee includes sterilization, all current vaccinations, deworming, and the feline leukemia vaccine and booster. You can preview all our dogs here: <https://www.spasanmiguel.org/adopt-me-dogs/> and our cats here: <https://www.spasanmiguel.org/adopt-me-cats/> Clicking on the animal's photo will take you to another page with a bigger photo, a bio, and, for most dogs, a video.
