From the Director

The S.P.A. has a terrific, well-equipped clinic with a wonderful vet, Dr. Omar Córdova. We can provide routine care for your pet (general check-up and vaccinations) and meet all your pet's needs, including diagnosing and treating medical issues, taking x-rays, doing lab work, performing sterilizations and other surgeries, and providing emergency care. We can chip your pet for the most economical price in town. We also offer packages to help save you money on veterinary care for your cats and dogs. February 2025 Pets of the Month

By Megan Gabel

Dolly and her brother, David, are a little over three years old. Dolly is a beautiful gray and white sweetheart and David is a handsome black and white tuxedo. They love to play with each other and toys. Both prefer not to mingle with S.P.A cat residents. David is very shy, but allows petting and appreciates being near people. Dolly is inquisitive and her beautiful green eyes take in everything.

A little over a year old, Snoopy is a sweet boy who initially is shy when meeting new people and will hide in the back of his casita until an old friend comes to take him for a walk. Small/medium-sized, he is active, exuberant, and friendly (once he gets to know you). He is eager to go for a walk and does pretty well on leash.

Nube, now a little over three years old, is a sweet, gentle dog. She is comfortable meeting new people and does fine with other dogs. She also seems to be really patient and sweet with children. She loves going for a walk and does well on

leash. Small/medium-sized, she is a smart girl who learned how to sit on command within a few minutes. She's ready to learn more tricks!

Both Snoopy and Nube were rescued by the S.P.A. from Canine Control. They are safe with us while they wait for their forever homes.

Adopt any of these Pets of the Month during February and receive a free adoption kit. Meet them and all our available cats and dogs at the S.P.A., Los Pinos #7, Monday-Saturday between 11 and 2, 415-152-6124. Our adoption fee is 600 pesos which includes all current vaccinations, deworming, and sterilization. Preview all our dogs here: <https://www.spasanmiguel.org/adopt-me-dogs/> and our cats here: <https://www.spasanmiguel.org/adopt-me-cats/> Clicking on the animal's photo will take you to another page with a bigger photo, a bio, and, for dogs, a video.
