HOPE, HEALTH, HOMES FOR CATS AND DOGS IN NEED

From the Director

Happy 2025! Thank you to everyone who opened their hearts and wallets and made donations to the S.P.A. in 2024. We were able to take full advantage of the offer from anonymous donors to match new donations through December 31 up to a total of \$2,500 USD! You make it possible for us to provide food, care, and shelter for our resident dogs and cats and those in foster care while they wait to be adopted. Without your financial support and support as volunteers, we could not do what we do. We are so grateful!

We would love to have you volunteer at the S.P.A.! Spend quality time helping to socialize our cats and kittens. Get into shape (work off those holiday pounds) by walking/socializing our dogs. We think you will be surprised what a rewarding and enjoyable experience it is. For more information and to set up an interview, please write info@spasanmiguel.org

Don't forget that our veterinary clinic is open to the public! We have a terrific, well-equipped clinic with a wonderful vet, Dr. Omar Córdova. The S.P.A. can provide routine care for your pet (general check-up and vaccinations) and meet all your pet's needs, including diagnosing and treating medical issues, taking x-rays, doing lab work, performing sterilizations and other surgeries, and providing emergency care. We can also microchip your pet for the lowest price in town. Set up an appointment by calling 415-152-6124.

Here's to a happy, healthy 2025! Cheers!

-Megan Gabel, General Director

January 2025 Pets of the Month

By Megan Gabel

Apollo, now a little over 9 years old, is one of our long-term residents we think would do very well in a home. He is a gorgeous dog, quiet and pensive. He loves to be petted and if you stop before he's ready, he will paw you to continue. Another endearing characteristic is that he pushes his head against your chest so he can be massaged all over. He's a strong boy, a slow-walker who ambles along until he's decided it's time to go back. Medium-sized, he's a little shy. If you are thinking about adding him to your family, it would be good to come to the S.P.A. and spend some time with him first – let him get to know you.

Apollo

Tigre

About 6-1/2 years old, Tigre is a gentle giant. He can be easily bribed with treats – in fact, he insists on getting them. He is very willing to go for a walk, but not too far. He is low-key, friendly, and a very good boy.

Ginger, about 4-1/2 years old, is a bright-colored calico with splashes of orange and black. She is very shy, but allows petting and will play when she doesn't have to compete with others. She is content to be by herself, but would likely thrive with some personal attention as the only cat in your home.

Ginger

Xel-Ha

About 6-1/2 years old, Xel-Ha is always the first to greet volunteers from her cat perch by the door. A true people lover, Xel-Ha is bound to endear your heart with her sweet and earnest companionship.

Adopt any of these Pets of the Month during January and receive a free adoption kit. Meet them and all our available cats and dogs at the S.P.A., Los Pinos #7, Monday-Saturday between 11 and 2, 415-152-6124. Our adoption fee is 600 pesos which includes all current vaccinations, deworming, and sterilization. Preview all our dogs
